

Lesson 03 Demo 04

Creating Microsoft Entra ID Guest User

Objective: To create guest user in Microsoft Entra ID for facilitating external collaboration

Tools Required: Azure account with administrator access

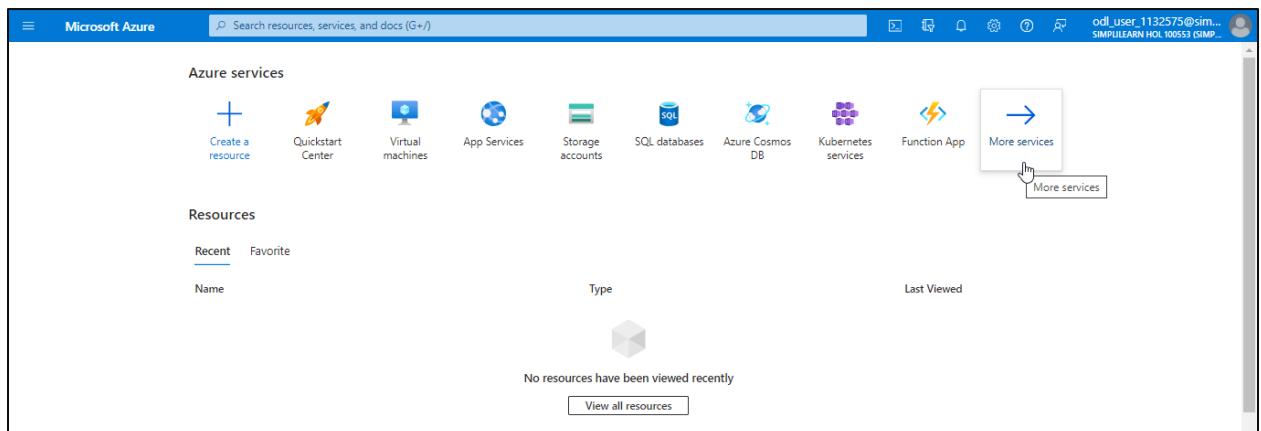

Prerequisites: None

Steps to be followed:

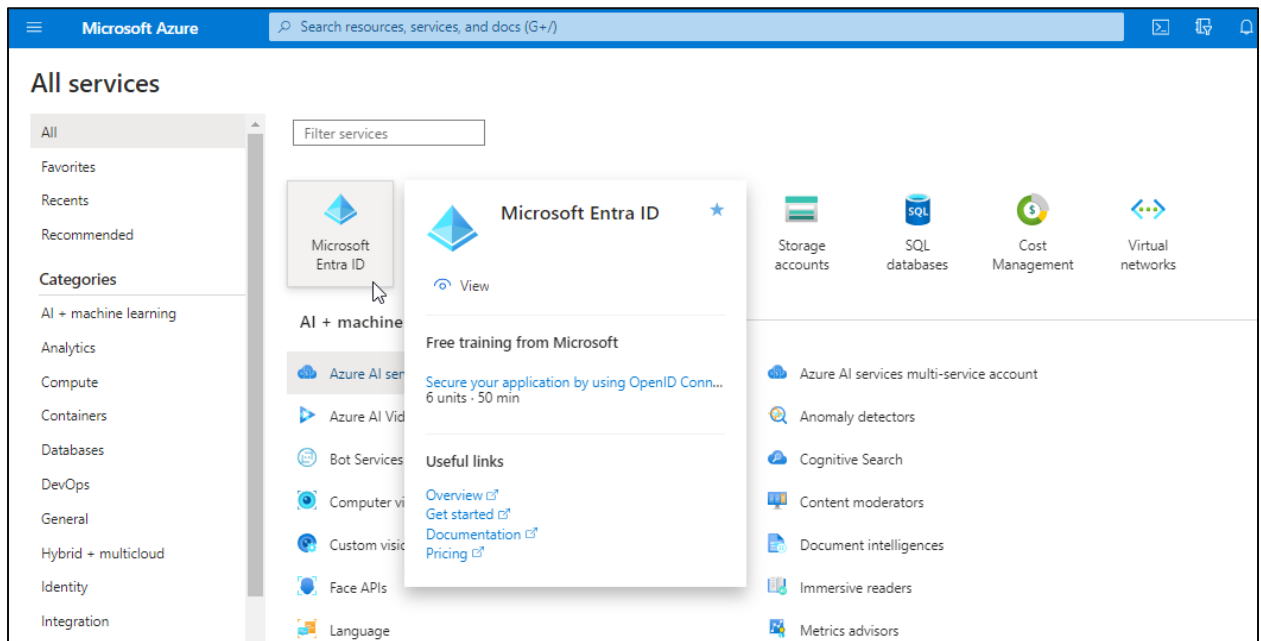

1. Create a guest user in Microsoft Entra ID

Step 1: Create a guest user in Microsoft Entra ID

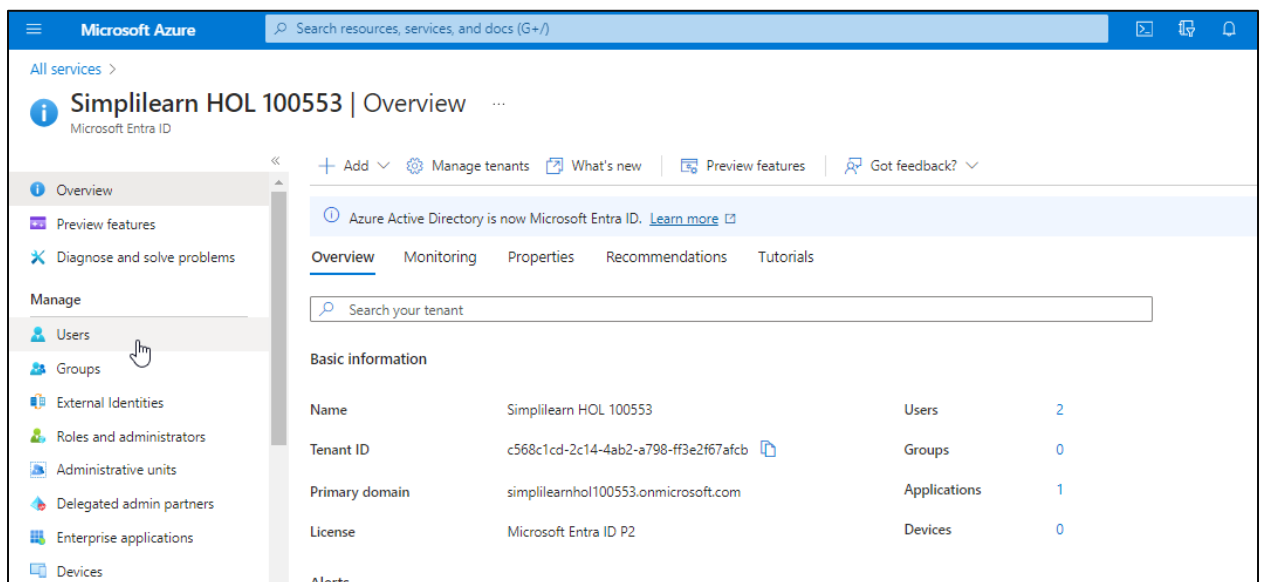

- 1.1 Log in to the Azure portal and click on **More services** to search for Microsoft Entra ID

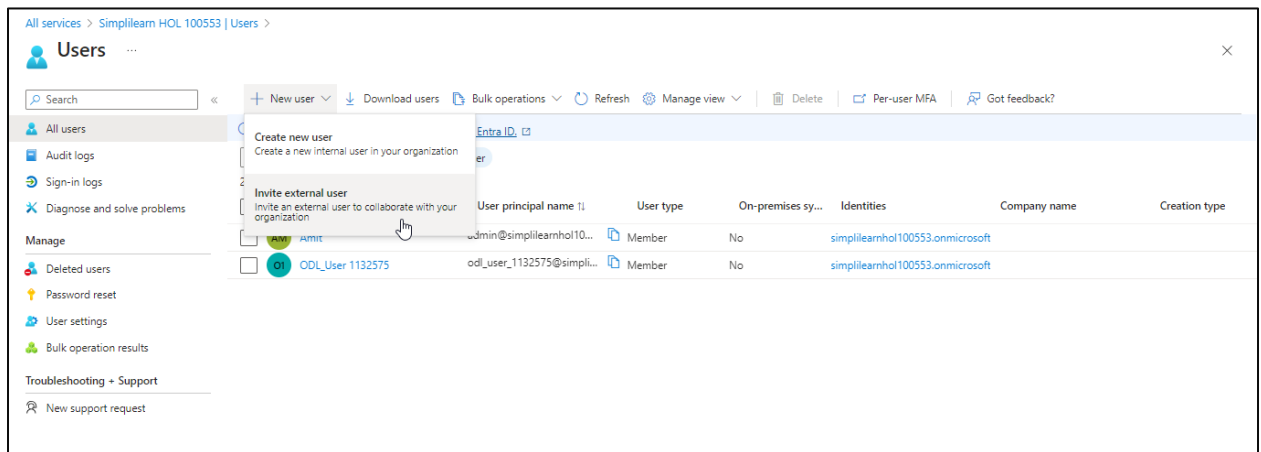

1.2 Click on Microsoft Entra ID

1.3 Under Manage section, click on Users

1.4 Click on + New user and select Invite external user option

1.5 In the Invite external user page, under the Basics tab, enter the details as shown in the screenshot below then click on Review + invite button

The screenshot shows the 'Invite external user' page in the 'Basics' tab. The page title is 'Invite external user' with a subtitle 'Invite an external user to collaborate with your organization'. Below the tabs (Basics, Properties, Assignments, Review + invite), there is a description: 'Invite a new guest user to collaborate with your organization. The user will be emailed an invitation they can accept in order to begin collaborating. [Learn more](#)'. The 'Identity' section contains the following fields:

- Email:
- Display name:
- Invitation message:
 - Send invite message: ☒
 - Message:
 - Cc recipient:

At the bottom, there are three buttons: 'Review + invite' (highlighted with a hand cursor), '< Previous', and 'Next: Properties >'.

1.6 In the **Review + invite** tab, click on the **Invite** button

The screenshot shows the 'Invite external user' page in the Microsoft Azure portal. The page is titled 'Invite external user' with a subtitle 'Invite an external user to collaborate with your organization'. The 'Review + invite' tab is selected. The 'Basics' section contains fields for Email (Clark@gmail.com), Display name (Clark), Send invite message (Yes), Message, and Cc recipient. The 'Properties' section contains fields for Business phone, Other emails, and User type (Guest). The 'Assignments' section contains fields for Administrative units and Groups. At the bottom, there is a blue 'Invite' button with a hand cursor pointing to it, and two buttons: '< Previous' and 'Next >'.
