

Lesson 04 Demo 02

Monitoring Microsoft Entra ID Privileged Identity Management

Objective: To monitor and manage Microsoft Entra ID Privileged Identity Management for controlling and overseeing elevated access and permissions within the organization.

Tools required: Azure account with administrator access

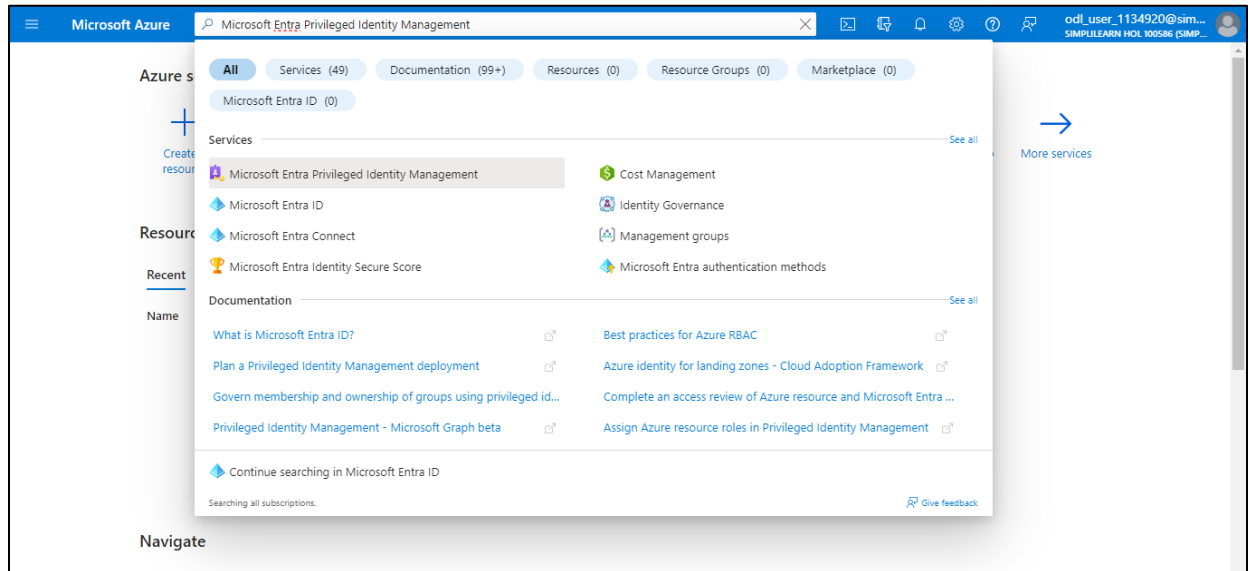

Prerequisites: None

Steps to be followed:

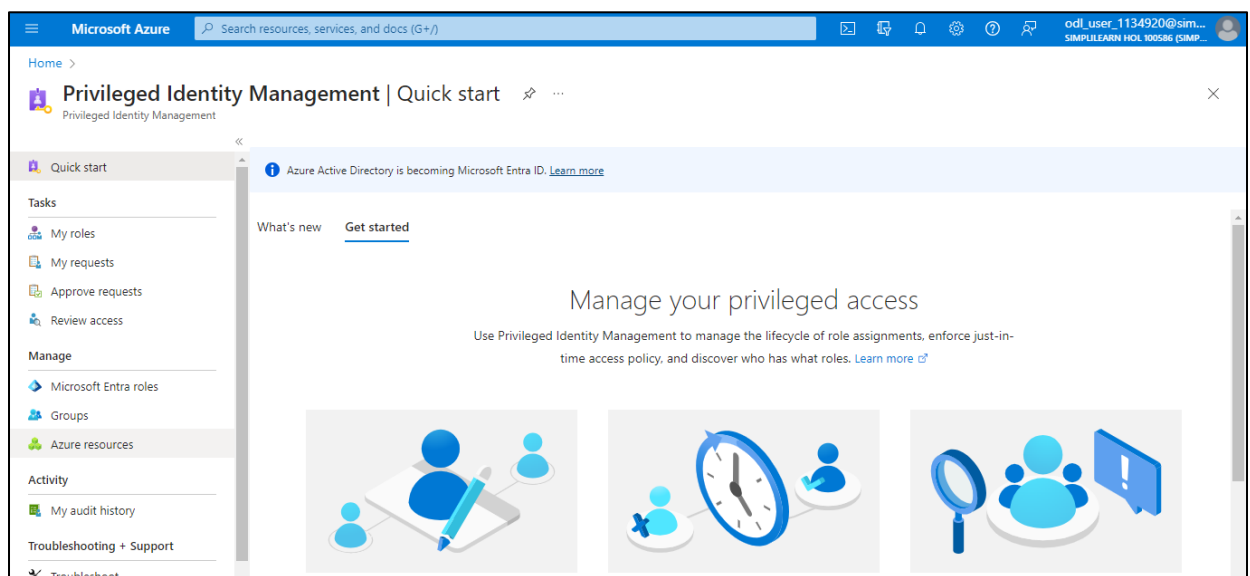

1. Manage resources

Step 1: Manage resources

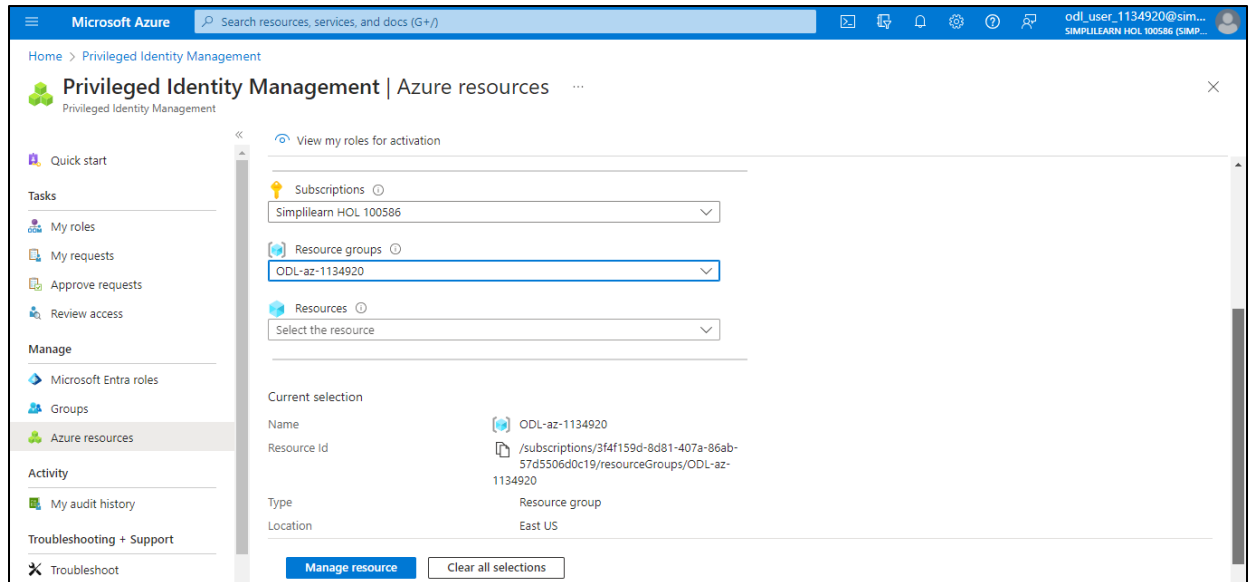

1.1 Log in to the Azure portal, search for and select **Microsoft Entra Privileged Identity Management**

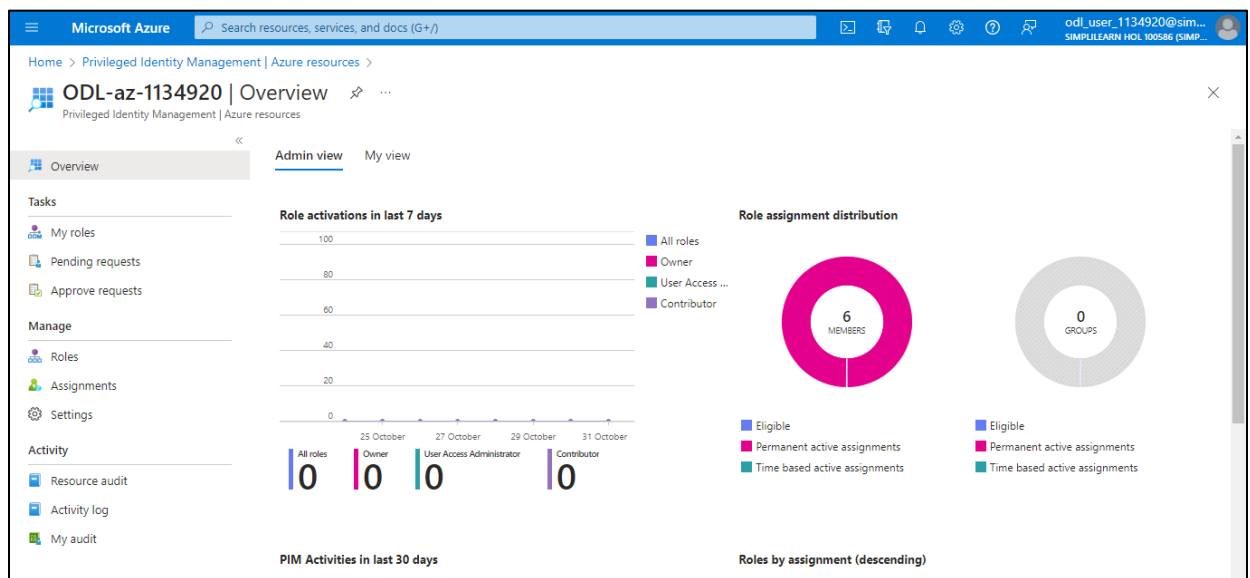

1.2 In the **Privileged Identity Management** page, navigate to the **Manage** section and select **Azure Resources**

1.3 In the **Azure resources** page, select **Subscriptions** and **Resource groups** and then click on **Manage resource**

The following screenshot will appear:

By following these steps, you have successfully monitored and managed Microsoft Entra ID Privileged Identity Management for controlling and overseeing elevated access and permissions within the organization.
